Car has been well maintained. Two accidents were sheet metal and bumper related – frame not impacted.

The car is in good condition with these known issues:

Left outside mirror is stuck in one position, so we added a convex mirror for visibility.

Gas tank won't fill all the way due to a stiff tank bladder.

The spare key is missing.

The retractable tonneau hatch storage cover won't retract.

The original traction battery was replaced in 2015.

I have the manuals and full maintenance records for the car.

The title is clean – I am the original owner and my daughter and I were the only drivers.

Great mileage – between 44-52 mpg.

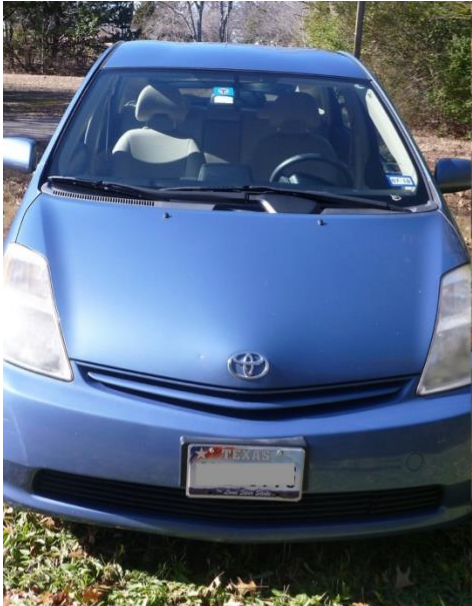

Asking Price: \$4,200 (KBB range \$3,651-\$5,040)

Located in Fairview, TX (between Allen and McKinney)
