

## The Texas Instruments Jazz Band

The Texas Instruments Jazz Band is a non-profit organization chartered through the Texins Association at TI. Members consist of current, former, and retired TI employees supplemented with a few guests as needed. The band was formed in the summer of 1986 and has been going strong for over 23 years.

The band has hosted a jazz museum's worth of great guest artists over the years—Clark Terry, Kurt Elling, Delfeayo Marsalis, Peter Erskine, Randy Brecker, Gregg Bissonette, Lorraine Feather, Kevin Mahogany, Frank Mantooth, Bobby Militello, Denis DiBlasio, Chris Vadala, Bobby Shew, Carol Welsman, and Marvin Stamm, to name a few. The band has released two CD's—"Jazz Bytes—Version 1.0," and "AlgoRhythm."

## Kathy Kosins

Kathy is an award-winning songwriter, vocalist, and jazz educator. In the early 80's Kathy began singing and arranging background vocals for producer Don Was in her home town of Detroit, MI. After building up over 35 credits and touring with some R&B groups she began to gravitate toward jazz.

Stints with the JC Heard and Nelson Riddle Orchestras eventually led to the 1996 release of "All In A Dreams Work." Kathy released another album "Mood Swings" in 2002. Her next recording "Vintage" was released on the Mahogany Jazz label. Long-time TI Jazz fans will remember Kevin Mahogany's performances with the band.

The TI Jazz Band is delighted to host Kathy. While in town she has done some clinic work with two local jazz choirs—a high school group and community college group.
