

The Texas Instruments Jazz Band

The Texas Instruments Jazz Band is a non-profit organization chartered through the Texins Association at TI. Members consist of current, former, and retired TI employees supplemented with a few guests as needed. The band was formed in 1986 after an ad was placed in the TI monthly newspaper seeking jazz musicians.

The band has hosted dozens of great guest artists over the years including Clark Terry, Phil Woods, Kurt Elling, John Pizzarelli, Delfeayo Marsalis, Eric Marienthal, Peter Erskine, Randy Brecker, Wayne Bergeron, Veronica Swift, Blue Lou Marini, and Tom "Bones" Malone. The band also performed at the Montreux Jazz Festival in Switzerland in 2000 and the Cancun Jazz Festival in 2012. Keep up with the band by joining the email list from their web page or follow them on Facebook.
